

Group Meeting - 2 hours

Group 5

08.05.18

Team attendance: Malin, Rune, Olav, Keerthan, Ole, Simen og Henrik

Got the readFile method to work. Now it shows the rules when you click on the help tab then the rules tab. it will show a highscore-ish window that shows the rules of horde and light brigade (depending on what you are playing) This took surprisingly long time to troubleshoot - 5 people on it for over 2 hours.
