

Group Meeting - 2 hours

Group 5

17.04.18

Team attendance: Malin, Olav, Renate, Keerthan, Ole and Simen

We have officially scrapped the SQL idea and is using MLab with MongoDB instead. We will be testing this further the next following days. Other bug fixes and GUI fixes. Nothing more than that. We will have a 6 hour meeting on thursday to fix remaining documents and bugs. Database needs to finished before thursday
