Group Meeting - 2 hours

Group 5

03.04.18

Team attendance: Malin, Keerthan, Olav, Simen og Henrik

Started to plan ahead. Plotted task intro trello board. Briefed our new team member about what we have done, how to clone etc. Fixed git repository so it is easier to navigate under meetings. So you know what meeting is from which oblig. We have reviewed our work method and set to improve it. We are going to start coding on the next meeting on thursday.
