Group Meeting - 2 hours

Group 5

05.04.18

Team attendance: Malin, Olav, Simen, Ole og Henrik

Random mode added, going to add an option to choose between random mode and regular chess mode. Started to make the database and look at SQL connection possibilities. Also started on the more advanced AI, which is going to take less than 3 seconds to move. During meeting the sounds we are going to use in the game was downloaded and discussed. Will be fixing sound and other music until next time.
